Donger QD70N hermetic compressor, 1/5 HP (R134a)

`Model: QD70N`

Brand: Donger

Category: Compressors

1/5 HP Donger QD70N hermetic compressor for R134a refrigeration systems, made for the Iraqi market.

DESCRIPTION

The Donger QD70N is a 1/5 HP hermetic reciprocating compressor charged for R134a refrigerant. As with the other models in this Donger range, its box highlights high efficiency, low power consumption, and locally stocked accessories. It ships in Donger's retail box, imported especially for Al-Nuboogh Co., General Trading.
