Digital manifold gauge, model WK-6881 (single-valve, LC/HC color variants)

`Model: WK-6881`

Brand: DSZH

Category: Spare Parts

A single-valve digital manifold gauge (model WK-6881) with an LCD display, available in blue (LC) or red (HC).

DESCRIPTION

The DSZH WK-6881 is a digital refrigeration manifold gauge with an LCD readout and ON/OFF, ZERO, UNIT, R+, and R- controls for single-valve pressure readings. It is available in two color variants, blue (WK-6881LC) and red (WK-6881HC), which per the manufacturer's packaging share the same pressure range and function. It is intended as a digital alternative to analog gauges for refrigerant charging and diagnostic work.
