Lever tube bender kit (multi-size interchangeable formers)

Brand: DSZH

Category: Spare Parts

Lever-action tube bender kit with interchangeable, size-marked forming shoes in a blue case.

DESCRIPTION

This DSZH lever tube bender kit includes a lever-action bending tool with a red handle and a set of interchangeable forming shoes in different sizes, each marked with its tube size on the black former. The kit also includes a slide bar to hold the formers in place and a small screwdriver, all housed in a molded blue carrying case.
