Tube expander tool, 7-in-1, model WK-622 (for 1/4"–5/16" tubing)

`Model: WK-622`

Brand: DSZH

Category: Spare Parts

WK-622 7-in-1 tube expander for 1/4"-5/16" tubing, ergonomic hinged handle.

DESCRIPTION

The WK-622 tube expander is a 7-in-1 hand tool for swaging copper refrigeration tubing, sized for 1/4"-5/16" tubing as printed on its retail packaging. It has an ergonomic handle and a hinge design intended to prevent the head from swinging during use.
