White Mahboob floor-standing split AC indoor unit with a silver trim band and a full-height louvered lower vent panel.

DESCRIPTION

This Mahboob floor-standing (tower) split air conditioner indoor unit is finished in glossy white with a rounded top and a horizontal louvered air outlet. A silver trim band with control icons runs across the front, above a full-height louvered vent panel that covers most of the lower cabinet. A small color-coded energy-rating label is affixed near the top vent. As the indoor cabinet of a split system, it pairs with a matching outdoor condensing unit.
