Floor-standing (tower) split air conditioner, indoor unit

Brand: Mahboob

Category: Air Conditions

White Mahboob floor-standing split AC indoor unit with a silver trim band, energy-rating label, and full-height louvered lower vent.

DESCRIPTION

This Mahboob floor-standing (tower) split air conditioner indoor unit shares the silver-trim design seen elsewhere in the range: a white cabinet with a curved top, a horizontal louvered air outlet, a color-coded energy-rating label near the vent, and a silver control-panel trim band above a full-height louvered vent covering the lower cabinet. The Mahboob wordmark is printed on the front panel. As the indoor cabinet of a split system, it is installed with a matching outdoor condensing unit.
