Manifold gauge set with charging hoses (retail blister pack), WK-C3601S

`Model: WK-C3601S`

Brand: MahbCool

Category: Spare Parts

Manifold gauge set (WK-C3601S) with dual gauges and color-coded charging hoses, retail blister pack.

DESCRIPTION

This WK-C3601S manifold gauge set from MahbCool is a charging and testing manifold for refrigeration and A/C service, sold in a retail blister pack. It includes a two-gauge manifold body (blue low-side and red high-side gauges) with a hanging hook, plus a set of color-coded charging hoses (red, yellow, blue) with brass fittings, as shown on the packaging.
