Rotary compressor, R-22 -- Mitsubishi Electric LHT53VBAC

Model: LHT53VBAC

Brand: Mitsubishi

Category: Compressors

Mitsubishi Electric LHT53VBAC rotary compressor for R-22 refrigerant, 220-240V/50Hz, with mounting kit.

DESCRIPTION

This is a genuine Mitsubishi Electric LHT53VBAC rotary compressor, confirmed by its manufacturer label, which specifies 220-240V, 50Hz and R-22 refrigerant, and lists Mitsubishi Electric (Guangzhou) Compressor Co., Ltd. as the manufacturer. It has a black hermetic shell with copper pipe stubs, an accumulator vessel mounted alongside the main body, and a hazard warning sticker. The listing includes a small mounting kit of rubber grommets and a bracket/gasket.
