Rotary compressor 2K22S225BUA

Model: 2K22S225BUA

Brand: Panasonic

Category: Compressors

Panasonic 2K22S225BUA rotary compressor, black hermetic shell with accumulator and copper pipe stubs.

DESCRIPTION

This is a genuine Panasonic 2K22S225BUA rotary compressor, confirmed by the manufacturer's label affixed to the unit. It has a black hermetic shell with an accumulator vessel mounted alongside the main body, copper pipe stubs at the top, a bilingual (English/Chinese) hazard warning label covering electric shock, explosion/fire, and hot-surface risks, and an oval mounting base.
