Friojet R-1234yf automotive refrigerant, small aluminum cylinder

`Model: R-1234yf`

Brand: Friojet

Category: Gas

Friojet R-1234yf automotive refrigerant in a small aluminum cylinder.

DESCRIPTION

Friojet R-1234yf automotive refrigerant supplied in a small aluminum cylinder with a brass valve fitting and a red tamper-evident cap. The label carries the Friojet (a Galex brand) R-1234yf marking with a car-and-snowflake icon indicating automotive air-conditioning use, and the product ships in its own branded box. Intended for topping up or recharging vehicle A/C systems specified for R1234yf.
