R-134a Refrigerant Gas

`Model: R-134a`

Brand: freeon

Category: Gas

Free-on R134a refrigerant gas in a 13.6 kg (30 lb) steel cylinder.

DESCRIPTION

Free-on R134a refrigerant gas supplied in a 13.6 kg (30 lb) steel cylinder with a 13.4-litre capacity and a maximum pressure rating of 260 psig. The cylinder is chemically labeled 1,1,1,2-Tetrafluoroethane (R134a), UN 3159, and fitted with a wire carry handle and a marked gas-outlet valve. Suitable for HVAC and refrigeration systems specified for R134a.
