R-410A Refrigerant Gas

`Model: R-410A`

Brand: freeon

Category: Gas

An 11.3 kg disposable cylinder of Freeon-brand R-410A refrigerant gas.

DESCRIPTION

This is R-410A refrigerant gas packaged under the Freeon brand in a pink disposable cylinder, as printed on the label. The label lists a blend of 50% difluoromethane (CAS 75-10-5) and 50% pentafluoroethane (CAS 354-33-6), a 13.4-liter cylinder capacity, a 3.7 kg tare weight, a maximum pressure rating of 400 PSIG, a net refrigerant weight of 11.3 kg (25 lb), and UN 3163 for shipping identification. It is supplied for charging and servicing R-410A air-conditioning and heat-pump systems.
