MahbcoolFLEX rubber foam insulation tube

Brand: MahbCool

Category: Spare Parts

Black flexible rubber foam pipe insulation tube (MahbcoolFLEX) for refrigerant line insulation.

DESCRIPTION

This MahbcoolFLEX rubber foam insulation tube is a black, flexible closed-cell foam pipe-insulation product distributed by Al-Nuboogh General Trading Co. Ltd. The tubes are pre-formed to slip over copper refrigerant lines and pipework for thermal insulation in HVAC and refrigeration installations.
