Copper tube coil (pancake coil)

Brand: Sampo

Category: Copper Tube

Coiled copper refrigeration tubing (pancake coil) from Sampo with a glossy, lacquered finish.

DESCRIPTION

This Sampo pancake coil is soft, coiled copper tubing for HVAC and refrigeration line-set installation. Unlike the matte-finish coils in this range, this tube has a glossy, lacquered surface with a deeper orange-red sheen. It is supplied uncut so installers can pay out, cut, and bend the tube to length on site.
